

Project: National Defense College

Location: Al Nehyan, Abu Dhabi, UAE
Client: UAE Armed Forces
Scope: Traffic Concept & Parking Study

The proposed development was to enhance / replace the existing college located in Al Nehyan area of Abu Dhabi, UAE. The development was planned to provide administrative, educational, training, service and housing facilities. This planned project was later changed for more major enhancements.

CANDO was involved in master planning, traffic concept and parking study of the project.
